3. Highways

The dog bin at the junction of Normanby Rise and Mulberry Road will be re-sited when the weather improves in spring. The 30 mph repeater signs have still not been erected. Portacabin – the timber from the internal walls has been removed and black graffiti sprayed on the outside walls. There is an urgent need to remove it. The Chairman has spoken to Lincolnshire Fire and Rescue Control about burning it on site. There is no problem as long as there is nothing toxic present and that they are notified of the date.

There is still some remedial work to be carried out on the play equipment.

The use of the field by BMX bikes was discussed but no decision taken.

Letter from Steve Wiles read out re highways issues in the village.
